

AGROBIODIVERSITY FOR IMPROVE THE NUTRITION, HEALTH AND QUALITY OF HUMAN AND BEES LIFE

4th International Scientific Conference
Nitra, Slovakia, 11th–13th September 2019

Dear Colleagues,

We are pleased to invite you to participate in the International Scientific Conference **AGROBIODIVERSITY FOR IMPROVE THE NUTRITION, HEALTH AND QUALITY OF HUMAN AND BEES LIFE**, which will be held in **Nitra, Slovakia, 11th–13th September 2019**. Nitra is a city in western Slovakia, situated at the bottom of Zobor hill in the valley of the river Nitra. Nitra is also one of the oldest cities in Slovakia.

The conference is organized by the Slovak University of Agriculture in Nitra, Faculty of Agrobiology and Food Resources (Slovakia), in collaboration with the M.M. Gryshko National Botanical Garden of the National Academy of Sciences of Ukraine.

The aims of the conference are to connect researchers from diverse fields of study but in close relation to organic agriculture and agrobiodiversity. It is also an opportunity for researchers, students, interested companies and farmers to exchange and gain the knowledge from plenary lectures, oral and poster presentations, workshop, and field trip.

The Conferences topics / sessions are as followed:

1. *Evaluation, reproduction and sustainable use of introduced plants*
2. *Forgotten and underutilized species of plants*
3. *Recovery and use of local and old cultivars*
4. *Traditional technologies of the agrosystems*
5. *Food quality and safety*
6. *Economic evaluation of genetic resources for food production*
7. *Socio economic aspects of organic agriculture and agro-biodiversity*
8. *High-productivity plants for bees*
9. *Quality of bee products*
10. *Bee pollen and perga*

Exhibition: Divine cultivars of apple, Tastings of food products from less-known plant species

Excursion: AgroBioTech; Cultural Monuments of Hont Region: Stará Hora – Sebechleby; Stone Residence – Brhlovec

| Registration fee | |
|--|------|
| Early bird until 1 st July 2019 | 15 € |
| Regular, after 1 st July 2019 | 30 € |
| Students | 10 € |
| Accompanying person | 10 € |
| Festival of traditional Slovak specialties | 10 € |
| Corresponding participation specialties | 5 € |

Registration fee includes Book of abstracts, refreshment during the conference and excursion.

Official conference languages Slovak, English, Ukrainian, Russian

The forms of participation Oral lectures, poster presentations or correspondence participation

Important dates:

Registration and abstract submission: from 1st April 2019

Abstract submission deadline: 15th July 2019

Abstract acceptance notification: 20th July 2019
Please, contact the organizing committee if you do not receive confirmation.

To register for this Conference, please fill out the attached form and send it by E-mail to managing editor at [✉ agrobiodiversity2016@gmail.com](mailto:agrobiodiversity2016@gmail.com); ☎ +38067-198-80-82.

Accommodation

Hotel RIVER **** +421 905 244 245, repcia@hotelriver.sk

Hotel Agroinštitút*** +421 908 291 248, repcia@agroinstitut.sk

Dormitory A. Bernolák +421 37 641 4877, +421 37 641 4867

Full paper submission (optional) to a special issue of **Agrobiodiversity for Improve the Nutrition, Health and Quality of Life: 15th July 2019.**

Agrobiodiversity for Improve the Nutrition, Health and Quality of Life is the Proceedings of scientific papers issued annually by the Slovak University of Agriculture in Nitra and M.M. Gryshko National Botanical Garden (NBG) of the National Academy of Sciences of Ukraine in Kyiv, within the jointly established international network AgtoBioNet. The original scientific papers oriented on the conservation and sustainable use of genetic resources of traditional, forgotten, underutilized and less known plant species, which are presented in the Proceedings to support the increase of food safety, food security, biosafety, plant breeding and expansion, use of plant species for improvement of the population health, ensuring the remediation of natural resources and environment, improving the socio-economic rural development and creating conditions for the development of regional economy and supporting the development of small and medium-sized farms.

Authors should submit their manuscripts online at <http://agrobiodiversity.uniag.sk/scientificpapers/about/submissions> or contact managing editor ✉ olgrygorieva@gmail.com; ☎ +38067-198-80-82; +42137-641-47-82

Looking forward to seeing you in Nitra!

Chief of the Scientific Committee
Jan Brindza
